

SOUND WAVE

MODEL-NO. 6800

SOUND WAVE can wirelessly play audio files from your smartphone, computer, tablet or any other Bluetooth® enabled device. The innovative bath audio system can be combined with all Kaldewei bath models. The Sound Wave components are concealed in the bath (not pre-fitted). The set comprises six acoustic panels, a control box with power cord, and two transducers. With the bath acting as the sound box, it delivers natural sounds of the highest quality.

Electrical data: Voltage 230V/ Frequency: 50-60Hz
 Power 2x20W
 Standby 0.5W (acc. to EUP directive)

The following are the only bath/support combinations not available with the system.

232-7
